

reporting stations of the U.S. National Weather Service.

(g) Prevented planting benefits under this part apply to irrigated crops where adequate irrigation facilities were in place before the eligible disaster and the acreage was prevented from being planted due to a lack of water resulting from drought conditions or contamination by saltwater intrusion of an irrigation supply resulting from drought conditions.

(h) For NAP covered crops, prevented planting provisions apply according to part 718 of this chapter.

(i) Late-filed crop acreage reports for prevented planted acreage in previous years are not acceptable for CDP purposes.

§ 760.816 Value loss crops.

(a) Notwithstanding any other provisions of this part, this section applies to value loss crops and tropical crops. Unless otherwise specified, all the eligibility provisions of part 1437 of this title apply to value loss crops and tropical crops under this part.

(b) For value loss crops, benefits under this part are calculated based on the loss of value at the time of the damaging weather or related condition, as determined by FSA.

(c) For tropical crops:

(1) CDP benefits for 2005 are calculated according to general provisions of part 1437, but not subpart F, of this title.

(2) CDP benefits for 2006 and 2007 are calculated according to part 1437, subpart F of this title.

§ 760.817 Quality losses for 2005, 2006, and 2007 crops.

(a) Subject to other provisions of this part, assistance will be made available to participants determined eligible under this section for crop quality losses of 25 percent or greater of the value that all affected production of the crop would have had if the crop had not suffered a quality loss.

(b) The amount of payment for a quality loss will be equal to 65 percent of the quantity of the crop affected by the quality loss, not to exceed expected production based on harvested acres, multiplied by 42 percent of the per unit average market value based on per-

centage of quality loss for the crop as determined by the Deputy Administrator.

(c) This section applies to all crops eligible for 2005, 2006, and 2007 crop disaster assistance under this part, with the exceptions of value loss crops, honey, and maple sap, and applies to crop production that has a reduced economic value due to the reduction in quality.

(d) Participants may not be compensated under this section to the extent that such participants have received assistance under other provisions of this part, attributable in whole or in part to diminished quality.

§ 760.818 Marketing contracts.

(a) A marketing contract must meet all of the conditions outlined in paragraphs (b), (c), and (d) of this section.

(b) A marketing contract, at a minimum, must meet all of the following conditions:

(1) Be a legal contract in the State where executed;

(2) Specify the commodity under contract;

(3) Specify crop year;

(4) Be signed by both the participant, or legal representative, and the purchaser of the specified commodity;

(5) Include a commitment to deliver the contracted quantity;

(6) Include a commitment to purchase the contracted quantity that meets specified minimum quality standards and other criteria as specified;

(7) Define a determinable quantity by containing either a:

(i) Specified production quantity or

(ii) A specified acreage for which production quantity can be calculated;

(8) Define a determinable price by containing either a:

(i) Specified price or

(ii) Method to determine such a price;

(9) Contain a relationship between the price and the quality using either:

(i) Specified quality standards or

(ii) A method to determine such quality standards from published third party data; and

(10) Have been executed within 10 days after:
